The monthly rental fee for payment terminals and the fee for operating the mobile payment terminal app are determined based on the client's total payment volume across all payment terminals and mobile payment terminal app installations during the relevant month. For every CZK 100,000 in payment volume, one physical payment terminal is provided free of charge. For every CZK 50,000 in payment volume, one installation of the mobile payment terminal app is provided free of charge. Physical payment terminals are counted first, followed by mobile app installations.

The prices include all fees and are final. What you see in the price list is exactly what will appear on your invoice.
