

Optional services - payment gateway	
Skipping 3D Secure authentication	0.3 CZK

Optional services - payment terminal	
Use of the mobile payment terminal app is free for monthly transaction volumes above CZK 50,000 per app or in months with no transactions	free or 50 CZK
One-time rental of a physical payment terminal for less than 1 month	1 000 CZK

The monthly rental fee for payment terminals and the fee for operating the mobile payment terminal app are determined based on the client's total payment volume across all payment terminals and mobile payment terminal app installations during the relevant month. For every CZK 100,000 in payment volume, one physical payment terminal is provided free of charge. For every CZK 50,000 in payment volume, one installation of the mobile payment terminal app is provided free of charge. Physical payment terminals are counted first, followed by mobile app installations.
